How to Join a Zoom Virtual Tour

Thanks for joining us for your virtual tour! We're here to help you get set up quickly and easily.

Depending on how you'd like to join, just follow these simple steps:

1. Joining from a desktop web browser

• Open the email we sent you and click the meeting link.

• When the Zoom page opens in your browser, look for the option at the bottom that says "Join from your browser" and click it.

• Zoom will launch right in your browser—no download needed. Enter your name if prompted, and you're ready to join!

2. Joining with the Zoom desktop app

• Open the email and click the meeting link.

• When prompted, click "Open Zoom".

• The Zoom app will open automatically. Click "Join Meeting.", that's it—you're in!

3. Joining from a mobile web browser

• In your email, tap the meeting link.

• When the page opens, tap "Join from your browser."

• Enter your name, and you'll be ready to join the meeting.

4. Joining with the Zoom mobile app

• Open the email and tap the meeting link.

• The Zoom app will launch automatically.

• Tap "Join Meeting," and you're all set.

Need help? Just let us know—we're here to make your experience smooth and easy. See you in the virtual tour!

Tips for a Smooth Experience:
• Join 5 minutes early
• Make sure your Zoom app is up to date
